授業の概要				
Students will revisit some listening and speaking patterns learned in high school, and well as build upon that knowledge with practical exercises and pronunciation guidance.				
授業の目標				
This course aims at enhancing learners' active listening and speaking abilities by exposing them to language input in the form of real life conversations and assessing their understanding through practical listening/speaking activities.				
授業の方法				
Students will learn through a series of guided listening and speaking activities.				
学習の成果 (学習成果)				
Students will be able to make introductions and engage in social conversation, make enquiries about products whilst shopping, understand instructions and rules, talk about health and concerns, discuss customs, preferences and experiences, discuss work and study topics, contribute meaningfully to group discussions, understand and organize talks and presentations, and discuss travel details and topics.
